He added that DP's sponsorship of the international event will promote an increased collaboration between private and public sectors across diverse industries.

Dr. Bernard, CEO of FDI, said: "This is the first time since FDI's inception that we have partnered with a non -medical corporation for an international event. The cooperation will benefit the FDI, Dubai Properties and INDEX.

"I had the honour of meeting His Highness Shaikh Hamdan Bin Rashid Al Maktoum, Deputy Ruler of Dubai, Minister of Finance and Industry and President of Department of Health and Medical Services. The meeting reinforced our decision to select Dubai over other GCC cities as our location of choice for the 2007 World Congress."

Dr. Bernard reiterated Binbrek's comment that FDI's partnership with Dubai Properties ensured dedicated support from both the public and private sectors for the congress in 2007.

Abdul Salam Al Madani, Chairman of INDEX, and CEO of AEEDC, said: "The strategic partnership reflects Dubai Properties' mission to endorse significant events as part of its responsibility to the country and its commitment to the community."
