Recognition Program

INDEX Conferences & Exhibitions Organisation Est is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. INDEX Conferences & Exhibitions Organisation Est, designates this activity for continuing education credits on an hour for hour basis.

## About Dubai

**Dubai** - a young and ever developing city which has an outstanding record in hosting International, Regional and National Conferences and Exhibitions.

A city with fabulous infrastructure, has changed dramatically over the last three decades, becoming a major business centre with a more dynamic and diversified economy. Dubai enjoys a strategic location and serves as the biggest re-exporting centre in the Middle East. Amidst its relentless development is an influx of significant International, Regional and National Conferences, Conventions and Exhibitions. Its low logistical and operational costs, international outlook and liberal government policies are attracting investors in a big way.

Dubai offers a kaleidoscope of attractions for visitors, from the timeless tranquility of the desert to the lively bustle of the souk. You can experience the beauty of Dubai, from rugged mountains and awe-inspiring sand dunes to sandy beaches and lush green parks, from ancient houses with wind towers to ultra-modern

shopping malls. These contrasts give Dubai its unique flavor and personality; a cosmopolitan society with an international lifestyle, yet with a culture deeply rooted in the Islamic traditions of Arabia.

Dubai which is a melting pot of different cultures serving as a second home to an amalgam of nationalities. A city boasting a critical mass of world-class companies, health care institutions, professional service firms and financial institutions with first-rate housing, medical, education and transport facilities available. It has the infrastructure which contributes to an overall quality of life making it one of the most sought-after places to live and work. A very safe and tolerant society with world class hotels and entertainment facilities, excellent value shopping, enviable sports and leisure amenities all combine to make living and working in Dubai a pleasure.

## MESSAGE FROM THE DIRECTOR GENERAL

On behalf of the Dubai Health Authority (DHA), I would like to invite you to the 16th edition of the UAE International Dental Conference and Arab Dental Exhibition – AEEDC which will be held from the 31<sup>st</sup> January – 2<sup>nd</sup> February 2012, in the city of Dubai, UAE.

Dubai is a city with a broad outlook and a strong ambition. Over the last few years, Dubai has seen a phenomenal growth in the health sector and this has been possible because of the vision of our leader, His Highness Sheikh Mohammed bin Rashid Al Maktoum, UAE Vice President, Prime Minister and Ruler of Dubai, who has given significant importance to the health sector in the Dubai strategic plan 2015

At the DHA, hosting, attending and speaking at conferences such as this one is part of our strategic vision. We are proud to have hosted esteemed international conferences and we are well aware of the importance of these conferences, which bring together the very best international and local talent.

This conference in particular, is one of the biggest in the region and we are proud to host it in Dubai.

Last year, approximately 27,000 dental professionals and trade visitors from 120 countries and around 850 exhibitors representing 70 countries participated in AEEDC Dubai 2011. Moreover, the scientific program attracted more than 6,000 conference delegates.

This congress is a platform where international speakers specialised in Dentistry, Endodontics, General Practitioners and Pedodontics amongst other healthcare professionals will get an opportunity to discuss and understand the latest advances in dentistry.

The highlight of this congress is that it brings together the very best talent in the field of dentistry from the region and abroad.

With this, I wish you all the best and I look forward to your participation in the congress!

**His Excellency Qadhi Saeed Al Murooshid**

Director General of the Dubai Health Authority

## MESSAGE FROM THE HONORARY CHAIRMAN

On behalf of the entire team of AEEDC Dubai, I accord a warm and cordial welcome to all the participants, visitors, exhibitors and distinguished guests to the event.

The subject of Continuing Education and keeping dental professionals and personnel's updated is one of the important issues which influence the quality of the services provided by the Dental Specialists to the public. **AEEDC Dubai** is becoming one of the most valuable sources and an effective platform of providing continuing education in the dental field through the means of lectures, advanced workshops, posters and a specialized dental exhibition which all play a major role in Dental Education.

I strongly believe that the feedback of our participants and visitors will always make a difference to our progress and will aid in the provision of the most updated information and technology in the field of Dentistry. **AEEDC Dubai** presents new and advanced scientific programs with each of its successive editions and we as organizers feel elated that our initiative advances the speciality of Dentistry; transforming the science for the betterment of all.

Sincerely looking forward to an active participation from all at **AEEDC Dubai 2012**.

**Dr. Tariq Khoory**

Honorary Chairman

AEEDC Dubai

## MESSAGE FROM THE EXECUTIVE CHAIRMAN

It gives me immense pleasure to welcome all of you to the 16<sup>th</sup> edition of the UAE International Dental Conference and Arab Dental Exhibition – AEEDC Dubai 2012.

On this occasion, I would like to express my heartfelt gratitude to all those who contribute to AEEDC Dubai and have helped the event become a resounding success globally, both scientifically and networking wise. The industry and visitors eagerly await the developments that come to light as AEEDC Dubai unfolds a new chapter on Dentistry and its innovations with every consecutive year.

AEEDC Dubai 2012 will yet again supersede its previous records and achievements by delivering another outstanding event to mark this year. The conference program has been designed in such a way which facilitates the dissemination of scientific information to the global dental fraternity and encourages leading innovations. On the other hand, a highly recognized Global Dental Exhibition presents an excellent opportunity for the key decision makers from the industry to indulge in brainstorming and a healthy exchange of industry techniques and advancements which further lead to joint collaborations and profitable ventures.

On behalf of the organizers of AEEDC Dubai and its team members, I would like to extend my warm welcome to all Dental Specialists, members of the Oral Health Community, and encourage them to seize this opportunity and benefit from the latest advancements of Dentistry.

I look forward to seeing you all at AEEDC Dubai 2012.

**Abdul Salam Al Madani**

Executive Chairman

AEEDC Dubai

## MESSAGE FROM THE CONFERENCE CHAIRMAN

Dear Participants,

The time for the 16<sup>th</sup> edition of the UAE International Dental Conference & Arab Dental Exhibition - AEEDC Dubai, under the theme of "Delivering Science & Technology" is coming near, and we have been working hard since the last AEEDC to prepare a more engaging and educational program than the last one, which is a challenge by itself knowing the exceptional success of AEEDC Dubai 2011.

We have diversified the program to suit all dental professional fields, doctors and para dental teams. The students will get their share of contribution in forms of posters and oral poster presentations, in addition to their highly anticipated student competition, with 4 or 5 competing teams, so far confirmed for the event.

The keynote speakers in DWDM, Advanced Specialty Courses, GCC Preventive Dentistry Conference, and the exhibition educational activities are all been lined up couple of months ago. We have put our best efforts to develop more activities such as, CAD CAM Forum, AEEDC Speciality Meeting and even more events are being planned and finalized as we speak, these will be updated to you in our next announcement.

AEEDC Dubai exhibition also plays a great role in improving the Dental Industry in the region. There will be many opportunities to experience the latest techniques and products ; we encourage you to keep up to date with the ground-breaking technologies, dental materials and solutions by being a part of our exhibition activities.

In conclusion, we hope that we have gained your interest in the next event and there will be a lot more events and activities added as we approach the event, please refer to our website for more updates.

We wish you success and continuous advancement in all your endeavours.

**Dr. Nasser A. Malik**

Conference Chairman

AEEDC Dubai
